We're thrilled to announce our upcoming Health Tech Idaho Quarterly Event, happening on September 26th from 5:30-7:00 PM at Hillfort Farm (88 S. Cotterell Dr., Boise, ID 83709). This event promises to be a highlight of the season, and we're excited to partner with Trailhead to prepare for Boise Entrepreneur Week (BEW).

The evening will feature discussions on fundraising with Tiam Rastegar from Trailhead and BEW, and Brian Jorgenson from Capital 11. Additionally, we'll spotlight the semifinalists from the BEW food track's Trailmix competition, giving them a platform to showcase their innovative products.

We're also pleased to welcome Clay Young, Founder of SeekingSimple, who will share his journey as an entrepreneur. Clay is gearing up to compete in the Startup World Cup Regional Qualifiers & BEW Semi-Finals, and his insights will be invaluable.

Join us for an evening of great topics, networking, and happy hour with drinks and goodies provided! This is a free event, so don't forget to register and bring a friend!

Save the Date (September 26) for the Idaho Cyber Security Summit!

Did you know that hackers strike every 39 seconds, with 43% of these attacks targeting small businesses? Small businesses are at a higher risk, and three times more likely to be attacked by cyber criminals than larger companies. Many cyber attacks can be prevented with the right resources, information, and preparation, enabling businesses to respond and recover effectively in the event of an incident.

Join us on September 26 for the Idaho Small Business Cyber Security Summit to learn how to protect your business from cyber threats.

The Idaho Small Business Cyber Security Summit is a one-of-a-kind, event designed for small businesses seeking innovative solutions to protect their company's critical infrastructure. This summit offers both in-person and virtual opportunities for business leaders to learn about the latest cyber threat landscape. It also facilitates direct connections with solutions, subject matter experts, and local resources to evaluate industry solutions.

Partnering for this event are Idaho Department of Finance, Idaho Office of Emergency Management, Idaho Department of Commerce, U.S. Small Business Administration, U.S. Attorney's Office for the District of Idaho and the Cybersecurity and Infrastructure Security Agency (CISA)

The Idaho Small Business Cybersecurity Summit is scheduled for Thursday, September 26 at the Idaho Response Center (IRC), Chinden Campus Building 8, located at 11331 W. Chinden Blvd, Boise, ID 83714. This free event will equip attendees with resources to prevent and manage cyber attacks.

The summit offers both morning and afternoon sessions, with in-person and virtual attendance options. The morning session runs from 9:00 a.m. to 12:00 p.m. MT, and the afternoon session from 1:00 p.m. to 4:00 p.m. MT. Note that both sessions will cover the same information, so attending one is sufficient.

2024 Hall of Fame Gala and Idavation Awards, "Celebrating 15 Years"

Boise Centre

850 W Front St

Boise, ID 83702

06:00 PM - 09:30 PM MST

The History of the Hall of Fame Gala

From Idaho's agricultural roots to the International Space Station, the Idaho Technology Council's annual Hall of Fame gala is the organization's crescendo event that celebrates iconic Idahoans who have changed the way we work and play. This annual fall event has become a cornerstone for Idaho's tech ecosystem and is the place to connect and celebrate with other members of the community. The 2024 Hall of Fame Gala Presenting Sponsor, is Idaho Central Credit Union.

The Idavation Awards, sponsored by Scoggins Capital, that highlight and celebrate the game changers and innovators that exemplify Idaho's entrepreneurial spirit and are currently transforming Idaho's future.

The Mt. Borah Visionary Leader Award, which is given to a leader who has expanded the horizons of Idaho's technology and entrepreneurial community.

The Hells Canyon Emerging Company Award, which recognizes a company that experienced a daunting journey to achieve success.

The Peregrine Innovative Technology Award, which showcases an innovative technology that has been launched successfully

Inductees to the ITC Hall of Fame have been selected from nominations gathered across the state and the winners will be announced live at the event.

*2024 Hall of Fame Inductee Awards, sponsored by Idaho State University
Be sure to join us live and catch the excitement!*

To close out this amazing event, the ITC, along with Idaho STEM Action Center, presents the annual INDEEDS awards to two educators who "create unique opportunities for students to experience the fun and excitement of STEM by integrating real-world experiences and hands-on activities into the classroom." Along with the physical award, each educator is presented a cash award to further the STEM experience for their students.

As we gather to celebrate the Idaho Technology Council's 15th anniversary, we proudly honor the founding members whose vision and dedication have shaped our organization into what it is today. Representing the diversity of Idaho's vibrant tech ecosystem, these trailblazing individuals were instrumental in establishing the foundation upon which the Council has flourished. Through their leadership and commitment, they have guided the Council's growth, fostering innovation, collaboration, and excellence within the Idaho tech community. As we reflect on our journey over the past 15 years, we extend our deepest gratitude to these founding members for their invaluable contributions. It is thanks to their foresight and unwavering support that we stand here today, poised to embark on the next chapter of our collective success.

Keynote Speaker soon to be announced and sponsored by Dorsey & Whitney LLP.

A VIP RECEPTION Hosted right before the event.
